## **2009 MOHVP AND MMA TRACTOR CAMPAIGN - IN PLANNING STAGES**

Campaign will be presented to association and all members present will vote on campaign. Meeting will be held May 16, 2009 after WORK DAY luncheon. Please plan to attend this all important meeting!

## **2009 MMA KIDS PROJECT - IN PLANNING STAGES**

The MMA is planning to build a kids trail and play area. Our association has many family members and the number of kid riders is growing every year. This year the MMA will focus on the kids more so than ever. Plans are in place for a Kids Only Trail that will be located in the parking area. This trail will be for kids that are not ready for the big trail system and plans are in place to make this trail wide enough for parents to follow along. The MMA is also looking for donated playground equipment for a kids play area next to the pavilion.

## **2009 MMA COMPOUND PROJECT - IN PLANNING STAGE**

Years ago the MMA bought a storage building and surrounded it with a 6' barbed wire topped fence...hence the name MMA Compound. The MMA relocated the compound some years ago to a MMA members property. Our building is still in great shape and plans are being made to relocate the MMA compound back on MMA grounds.

## **2009 MOHVP TRAIL SYSTEM PROJECTS - IN PROGRESS** **COMPLETE TRAIL SYSTEM SIGNAGE - 90% Complete**

The Meridian OHV Park trail system was professionally designed when the park was officially established. Over the years changes have been made and our trail system has undergone some major hurdles such as Hurricane Katrina. During our 2009 riding year the MMA will be making some much needed updates to our parks trail system. Some of these updates have already began and some are still in planning. One major update that we will be making is new signage for the entire trail system. Each trail in our park will be receiving a trail name sign, directional signs, loop signs, and rating signs. We will began installing these sign during the first few months of 2009. Below is a sneak peak at the signs we are purchasing and installing on our trail system. **SIGNS ARE IN AND WE HAVE STARTED INSTALLING THEM. LOOK FOR THESE SIGNS ALONG THE TRAILS!**

**Originally the MMA had planned on using trees as a cheap alternative for posting our new sign. Fortunately, the MMA has had galvanized sign post donated to the club along with the nuts & bolts needed to post the signs. A huge thanks to the party who made this great donation!**

## **2. ATV ADDITIONS - IN PROGRESS**

Meridian OHV Park ATV riders has grown tremendously over the past few years. The MMA recognizes this and plans to add some new ATV trails to our existing trail system. These additions will include some winding wooded trails, mud holes, and bogs. These additions are still in the planning stage and will be implemented throughout the 2009 riding year. If you are a ATV rider and are interested in helping with this portion of our trail upgrades you should contact Jerry Corley and get your name added to the volunteer list. **NEW BOOGEYMAN ATV LOOP IS COMPLETE. ATV TRAIL DAY SCHEDULED FOR JULY 18TH TO BUILD MORE ATV TRAILS.**

## **2009 MOHVP TRAIL SYSTEM MAPPING - 90% Complete**

OHV park has great maps for members to reference. This year Jerry and the City of Meridian GPS mapped our entire trail system. This map is the most detailed map ever done at our park and shows every turn of every trail. Once this map was completed it was taken by our web admin and converted into the nice maps we have on our site today. These maps are downloadable and printable via our website. Along with the whole trail system being mapped we were able to create loop maps for ATV and Motorcycle riders. These maps are also available for download and printing. These maps are online but not everyone has a computer. The MMA will have large maps printed and laminated for posting on our bulletin boards and throughout key points in our park. Go online and print your own copies of the MOHVP Trail System and Loop maps. **LARGE MAPS WILL BE PRINTED AND LAMINATED FOR OUR BULLETIN BOARD.**

## **2009 MOHVP PARKING AREA PROJECT – COMPLETE**

### **PARKING AREA PAVILION – COMPLETE**

MMA has now purchased a 20X20 metal carport building to use as a pavilion. This building is located at the center of the parking area. This will be a great addition to our park and I am sure every member will enjoy using the pavilion.

### **TABLES FOR OUR NEW PAVILION – COMPLETE**

The MMA has purchased (3) 6' treated lumber & galvanized steel picnic tables for our new pavilion. These tables are now located in our parking area.

### **COAL GRILL FOR OUR NEW PAVILION - COMPLETE**

A permanent steel grill has been placed next to the pavilion for everyone to enjoy!

### **PARKING AREA ROADS – COMPLETE**

Our parking area roads are eroding and are in need of some repair. The entrance road and the roads surrounding the parking area will be graded and smoothed out by the City of Meridian Public Works Department. The City of Meridian Public Works Department will also build some drainage ditches to combat road erosion. The roads have been smoothed and new drainage ditches are in place. The MMA has purchased recycled asphalt to cover the parking area entrance road.

### **PARKING AREA PORTA-JOHN – COMPLETE**

MMA has rented a port-john that will remain in the parking area with monthly clean-outs. This is normally in place during races and events only but will now remain throughout the year.

### **BOUNDARIES PROJECT - Complete**

Meridian OHV Park is bordered by City of Meridian property and private land owners. These areas are off-limits and the MMA is taking action to secure these areas from rider access. All park boundaries will be clearly marked with orange construction fencing. Each fence will receive new boundary signs that will leave no guessing to where we can and can not ride. Identifying and securing these boundaries is critical to keeping the peace with surrounding land owners and users.

## **2009 MMA STICKER PROJECT – COMPLETE**

The MMA now has vehicle window decals available. All new and renewing members from 12/1/08 forward will receive a free sticker once membership dues are paid. Any member that has already paid dues for 2009 prior to 12/1/08 should contact Lucas at [lucas@linkedllc.com](mailto:lucas@linkedllc.com) and request a sticker. Vehicle decals are a great way to show your support and to help spread the word about our club and our website.

## **2009 MMA T-SHIRT PROJECT – COMPLETE**

The MMA is now in the process of designing and purchasing new MMA and Meridian OHV Park t-shirts. These shirts will be available to anyone who would like to purchase one. Our design is not final and is in art design stage. A final design will be posted online as soon as it becomes available. Sizes and prices will also be posted once available. Yet another way to show your support for the MMA and the Meridian OHV park! Shirts are here and ready for purchase. Please email [lucas@linkedllc.com](mailto:lucas@linkedllc.com) to order your Meridian OHV Park t-shirts today!
