

THE MERIDIAN MOTORCYCLE ASSOCIATION PRESENTS

MERIDIAN OHV PARK

The Meridian OHV Park is maintained and operated by the Meridian Motorcycle Association (MMA). The MMA is a private, member's only OHV riding club but membership is open to anyone! The OHV park has lots to offer all walks of OHV riders of all ages. Rolling through the southern Mississippi woodlands, our OHV park contains varying trail types ranging from tight twisty motorcycle only to wide open easy riding. But we have so much more to offer than just trail riding! Along your way you will find hills that vary in size and difficulty, roots, washboards, single track trails, large open areas for play, sand pits, creeks, and mud holes. Primitive and RV camping is allowed but we currently have no facilities, power, or water on-site. Our 2009 MMA season is sure to be the best yet with lots of changes and additions to the club and the trails. Support your local Meridian OHV Park and join the Meridian Motorcycle Association today!

- Park consists of 800 acres.
- 23+ miles of varying trail types.
- Private gated campground.
- Large gated dirt pit for kids.
- Park open to all MMA members.
- Fun, clean family environment!
