MARK YOUR
CALENDERS!

2009 is here and it is shaping up to be the best MMA year ever! Our board has been working very hard to improve all aspects of our club and park. Our goal is to keep the momentum going throughout 2009 and continue to improve the MMA and the Meridian OHV Park. Great improvements are taking place, our new pavilion is nearly complete, our trail signs, loop signs, and trail rating signs are in, MMA stickers are now available, and our new Meridian OHV Park t-shirts are now available! This year the MMA will have regular scheduled work days, member meetings, luncheons, and group rides to help bring all MMA members together! Please keep a check on our website: www.meridianohvpark.com as information is updated and join our message board to become an active voice in our club! Please remember that the Meridian OHV Park belongs to us as an association and it is our responsibility to help it grow and improve!

GATE LOCKS... COMBINATION CHANGE

The Meridian OHV Park lock combinations will change March 1, 2009! This change will apply to the Parking Area Gate and the Big Dirt Pit Gate. The lock combination is our only security guard against outlaw riders and mischievous people looking to destroy our property or steal from us. Please do not share this combination with ANYONE!

NEW LOCK COMBINATION: ? ? ? ?

NEW BORDER LANE AND SIGNAGE

As everyone knows the boarder between our park and the Meridian Police Dept. Training Facility border is most important. This area is off limits and should be respected at all times. To help everyone know exactly where the border line is the City of Meridian will be bulldozing a wide lane down the boundary line. This line will be very

obvious to all riders and will be marked with clear signage. To help combat trespassing the MMA and the City of Meridian Police Dept. will work together to stop violators. Anyone caught past this lane will be arrested and charged with trespassing! Please help the MMA and the Meridian Police Dept. monitor this critical area

by reporting any riders seen passing this lane. To Report trespassers please contact Jerry Corley, Johnny Ford, Lucas Hatcher, or the Meridian Police Dept. See the "CONTACT US" page of our website for individual contact information. Store these numbers in your cell phones so you can contact someone if needed.

RETRO WHITE SANDS PHOTO!

ALL THE "OLD TIMMERS" OF THE MMA HAVE GREAT MEMORIES OF WHITE SANDS. THIS AREA IS NO LONGER PART OF THE MERIDIAN OHV PARK AND IT MUST REMAIN JUST A MEMORY!

"WHITE SANDS" ... JUST A MEMORY!

The MMA is still having issues with riders in the White Sands area. This area is the white sand pit just past the training facility. This sand pit no longer belongs to the MMA and will soon be used as an extension of the firing range for sniper practice and training. This area is extremely dangerous and could cost your life

if not respected! The sand pit is only accessible to MMA members via the AT&T Line. The AT&T Line has orange fencing and signage that clearly marks the boundary line for our park. Please do not cross this boundary line and respect all orange fencing...even if its laying on the ground or has been cut! Any

rider caught in the White Sands area or the trails surrounding White Sands will be arrested on the spot and charged with trespassing. If you are unsure about these boundary lines and need clarification please contact Jerry Corley or Lucas Hatcher for clarification.

MMA PARKING AREA PAVILION UPDATE

The new pavilion is now in place with 3 new picnic tables for everyone to enjoy! Our permanent grill is the last piece that remains to be completed and is now in the planning stage.

PARKING AREA ROADS UPDATE

Thanks to the City Of Meridian Public Works Dept. for smoothing out our parking area roads. The MMA plans to put down slag or recycled asphalt to complete this project.

TRAIL SIGNAGE UPDATE

The new trail signs are in and we should start putting them in place within the next few months. Keep an eye out for new trail names, ratings, and loop signs!
