

MMA Member,

First, I would like to say thank you for such a great 2008 MMA year! Throughout the year we have had some great events and many exciting rides. As this 2008 season comes to a close and we ready for 2009, the MMA is planning many new and exciting changes. I would like to share some of these changes and your input is appreciated.

- 1) We have given our riding area an official name: The Meridian OHV Park!
- 2) The Meridian OHV Park has a new website! www.meridianohvpark.com. This site serves as a central location for all MMA members. Our site now includes important news and announcements, event announcements, membership renewal, park information, park weather, trail conditions, pictures, videos, trail maps, and a message board. The new site also promotes our park and MMA membership to potential members. Potential members can find MMA membership information, MMA rules and regulations, membership forms/waivers, contact information, driving maps, driving directions, and MMA contact information. I am very excited about our new site and I know it will prove to be a valuable tool for everyone.
- 3) GPS mapping is underway and should be ready for the 2009 season.
- 4) Discussions are under way for some great events at our park. The details are not set in stone so keep an eye on the website for more information.
- 5) 2009 MMA member meetings are being planned. This year the MMA will hold several member meetings. During these meetings club business will be discussed and any important topics that need to be covered. Most importantly you will be given the chance to voice your opinions and ideas to help better the MMA as a club. Check our new website for dates and times.
- 6) Newly designed 2009 membership cards are in the making. Our old cards are due an update! You can now renew your membership or join the MMA online! See site for details!
